

Print with <actual size> option on | for the cards, either print on heavier paper stock or put the papers into card sleeves with small cards

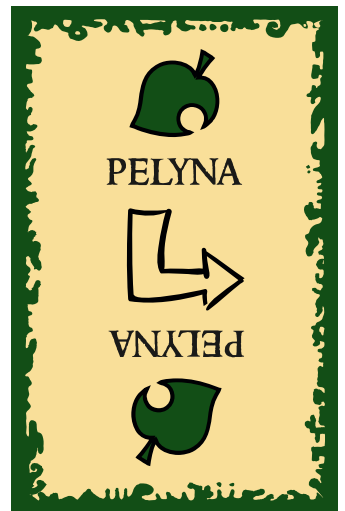

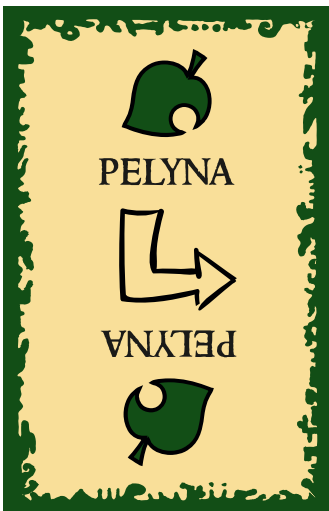

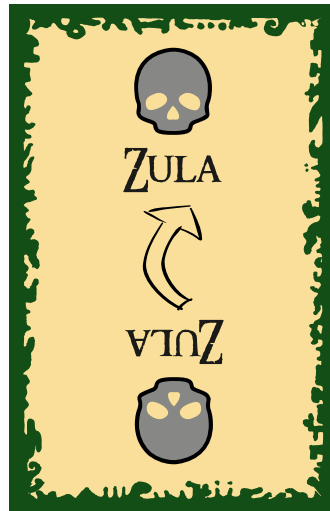

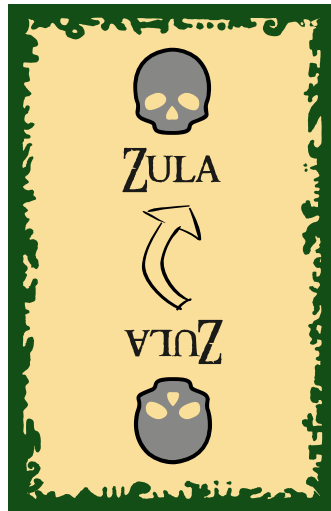

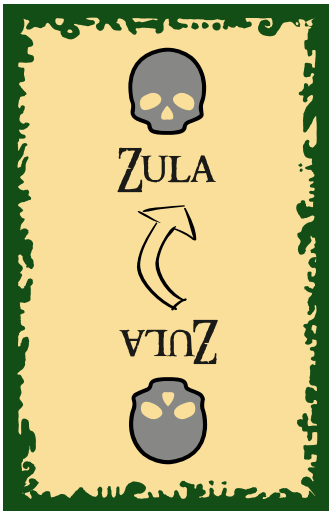

THIS DEMO DOES NOT PRESENT HOW THE GAME ACTUALLY LOOKS LIKE, it is meant to be more printer-friendly, check out the photos to see the actual game, even though the graphics are provisional anyway :-)

By printing the cards and playmats more times, you can add more players into the demo, maximum is 6.

Find the rules [here](http://www.colombboardgames.wixsite.com/portfolio) and check out www.colombboardgames.wixsite.com/portfolio
